

Nora Hook

Humanities teacher Chris Becker describes LEAF senior Nora Hook as “the rock of the senior class. She showed up LITERALLY every day with a huge warm smile.”

Nora will be attending the Paul Mitchell School in Portsmouth, NH where she will study cosmetology. Nora already has a jump on her career having studied cosmetology for 2 years at the Cheshire Career Center while a student at LEAF.

Nora’s favorite teacher at LEAF is humanities teacher Chris Becker. “I really learned a lot from this class and Chris always has a ton of interesting and engaging topics for us to learn and discuss.”

Taking classes at the Cheshire Career Center helped Nora realize “how small and unique LEAF is. LEAF is a place where people are encouraged to be themselves.”
